Tuition is only \$125 despite program costs of \$800 per student. Tuition is non-refundable and is payable by the opening retreat. Tuition includes all expenses for the retreat, materials and refreshments for class sessions, and graduation.

Many families participate in "Project Fair Share" and contribute additional amounts to tuition. Please consider participating. Your generosity keeps Youth Leadership Spokane healthy and thriving and will open doors to more students in the years to come.

Scholarships are an important part of the YLS program. We know that there are students who just can't afford the program but who would both benefit from it **and** bring a lot to the experience of the rest of the class. If this is your situation, please do not hesitate to ask for a scholarship. It's a completely confidential process. No one accepted into the program will be denied participation for financial reasons.

Full payment of \$125. Tuition is to be paid in full by 30 August 2010..

Partial financial scholarship \$ _____. Leadership Spokane provides a limited number of scholarships to candidates with demonstrated financial need that would prevent participation in the program. Award amounts are based on the number of requests received and the amount of funds available each year.

If requesting a scholarship, please submit a letter describing briefly your need for financial assistance, including a description of your particular financial situation.

We wish to contribute \$ _____ to Project Fair Share.

I confirm that the above information is a true account of my situation.
